VILLAGE OF SHELL LAKE

Easter is upon us as I write this monthly blurb. I hope you are all enjoying time with family and looking forward to all that spring has to offer.....longer days, warmth and sunshine, no more ice - green grass and flowers !

For the Village, it will mean sweeping the streets and other general cleanup and pot hole repair.

We plan to have the "big Bin" at our bin site from May16th to May 30th. This year we ask that you contact Tara at the office to arrange for disposal of your articles and to pay a fee of \$10. If you have a half ton load we will be charging \$25. If you are unable to contact Tara you can get ahold of Joe, Al, Greg or Jim.

We might have someone harvesting the logs from our woodlot east of town so don't be alarmed if you see activity there.

The curling rink is looking really good. There was a little delay because it had to be determined where the electrical entrance had to be situated and that seems to be sorted out now so the electrician and the plumbers can get their work done.

With the recent unfortunate loss of two homes due to fire, I urge everyone to check smoke detectors to make sure they are working and also make sure your fire extinguishers are up to date. It wouldn't be a bad idea to review your insurance policy while you are at it!

Have you purchased your Pet License for 2024? How about your Business License? Always lots to remember!

Do you have time and energy on your hands? We need volunteers to sit on the Library board as well as the cemetery committee. You can sign up at the Village office.

Respectfully, Anita Weiers,
Mayor
