## CHURCHES

### PARTNERS IN WORSHIP

Partners in Worship Sunday  
services at 9 am. Bible Study  
Thursdays 10 am at the Villa.  
Everyone is welcome!

Pastor Sarah's vacation Sun-  
days: July 28, August 4, August  
18 and August 25.

I read a meme that said the trees  
and bushes don't produce all year  
long, and neither can you. I found  
it to be a beautiful reminder that  
there are seasons for productivity  
and seasons for rest. As humans  
we often get caught up in a vicious  
cycle of productivity. Demanding  
perfection and fruitful outcomes  
at all times. If you fail to produce,  
you are failing as a successful per-  
son. This mindset is so unhealthy,  
not to mention incorrect. Even the  
trees need rest, the soil needs rest,  
the flowers and bulbs need rest in  
order to flower and produce at a  
later time. Even God rested on the  
sabbath and gifted us with the  
holy sabbath of rest. God's gift of  
rest is a beautiful reminder of God's  
desire to care and provide for us  
as a gardener care and provides  
for their garden. In the midst of  
life's busyness and challenges,  
God invites us to find renewal and

rejuvenation in rest. To take time to  
recharge our spirits, refocus our  
hearts, and reconnect with Spirit in  
creation. Rest is most certainly phys-  
ical but also, we also need spiritual  
and emotional rest, allowing us to ex-  
perience peace and restoration in  
every aspect of our lives. As we move  
into summer, let's embrace this pre-  
cious gift of rest from God, knowing  
that in God's rest, we find strength,  
clarity, and a deeper intimacy with  
God. Bring on the sun, the laughter,  
the beach days, the family time, and  
healing for our bodies, souls, and  
minds!

## VILLAGE OF SHELL LAKE

As you well know it has been most difficult to fill the potholes on the streets with the constant rain. The mild winter certainly took a tole on our streets but we will work on them as we can.

In past years we used to have a designated cleanup day in the Village but lately we leave it up the the individuals and the businesses to continuously keep their property clean and tidy. I encourage everyone to take a walk around your property and look at it from an outsiders point of view. What do you see? A well manicured lawn, healthy shrubbery free from trapped garbage, or a collection of shacks, vehicles and rubble. I don't think we have a rodent problem but an accumulation of stuff does give a home to skunks, and other unwelcome guests. We actually receive many compliments on the attractiveness of our Village so if you are deserving ....pat yourself on the back and thank you on behalf of council.

As soon as the "big bin" is full we will be sending it back. In the fall we will bring in a "metal Bin" if you can store your metal ware till then.

Still on the subject of garbage , we would prefer that leaves be put in the disposable paper bags or

cardboard boxes rather than plastic bags. Also because the ravens, cats and foxes have a habit of picking holes in bags it would be good to place your bags in a can or a stand as the maintenance worker is not required to pick up scattered garbage. Keep in mind the three bag limit for weekly garbage pickup. Thankyou for co-operating.

Council has made some new appointments: Diane Klein and Lana Chuhaniuk to Events Planning Committee and Jennifer Shynkaruk to Library Board.

There are hiking trails on Village property East of the Village. Feel free to walk these trails and enjoy the nature. Just make sure you don't ignite any fires and that you don't leave behind any trash.

The curling rink is at approximately 60 % completion. The insulating, installing vapour barrier is very time consuming. Next on the list is drywalling and preliminary work by Simonar's Refrigeration. we expect an Oct 1 completion date.

Any residential lot with water and sewer hookups is entitled to have one recreational vehicle on their property. Anyone thinking of pulling in a trailer should check with the administrator regarding by-laws.

Tara will be taking vacation time for the week of June 10 to 14th so the office will be closed.
