Our annual "Wagon Raffle" was once again a huge success and we couldn't have done it without the help of the following people: Prabh and his staff at the Shell Lake Market who displayed our wagon and sold tickets for the past 2 months; to our local and out of town home based businesses and individuals who step up year after year to donate items to help fill our wagon and last, but certainly not least, to each and every one of you who purchased tickets. Thank you all so much!!!! This year's winner is Cheryl Russell from Prince Albert. Congratulations Cheryl!!

Hope everyone is enjoying their summer!!

## SHELL LAKE LEGION

The Hey-Days hamburger BBQ was another huge success. Thanks to all the volunteers... those that set up and dismantled tent, those that donated puffed wheat cake, those that fried burgers and those that worked the door and the kitchen.

The winner of the July lottery was T.J. Tubbs. There are still some lottery tickets available for 2024 if you didn't get yours.

## SHELL LAKE MUSEUM

It is so nice to see the gazebo being utilized every Saturday for Farmer's Market. Not all of the days were weather appropriate but the vendors persevered. Coming up in August will be the Wood Carvers

symposium on August 9,10, 11 and the Wood Turners on August 16,17,18. The farmers Market will still be held as usual.

## SHELL LAKE LIBRARY

In August the library will be hosting Open Art at the Library on Wednesdays (1:00-3:00). Some art materials will be available for you to use, and a new theme will be explored each week. Open to all ages; if younger people are not able to work on their own, please bring an adult or a helper with you. Our space is limited so, if you can, please let us know that you plan to attend so we can save you a seat.

Chris Lindsay substitute Librarian.

## VILLAGE OF SHELL

## LAKE

July certainly has been an active month in our Village. It takes a concerted effort to pull off a successful Hey-Days but I think we did it!

I was so proud of how the Village looked. Thanks to Jim and Greg for "whipping" it into shape and to all the residents who take pride in their yards and gardens. Don't the flowers look amazing? Thank you Plants and Decor.

We have had the second cut at the cemetery by the minimum security people from PA. We are so appreciative of that. The cemetery committee served them a dinner meal and the Legion kindly donated the use of the Legion Hall for that purpose. Things can be so good when we work together!

I do have one bone of contention though and that is that there is still misuse of golf carts in the Village. We still see unlicensed children driving and we still see too many people driving on mainstreet. The bylaw clearly states **NO GOLF CARTS on MAIN STREET**. How difficult is that???

I forgot to mention in July that Wendy Penner has been appointed to the Plants and Decor committee. welcome Wendy. If you don't know her....she is the lady who worked

so hard on the curling rink grant application along with Deb Hogg.

Things are moving right along at the curling rink. The Board held an open house at Hey -Days and received substantial donations and many oohs and aaahs.

Well folks, catch your breath. August is going to be a busy month.

Respectfully, Anita Weiers, mayor
