SHELL LAKE FIFTY PLUS

Changes in the Fifty-plus club are coming quickly. As seem to happen in our community people come and

stay for a while. While here they become involved in various clubs and committees. But when they decide to move on to new places holes are left that need to be filled. This is the same with our Fifty-plus Club. Janice and Joe Delisle are moving on. Janice has been the treasurer for the club and she organized many activities. Some of these are the birthday parties, the Christmas supper and other activities. Because she is leaving the club is looking for a person or group of people to fill some of the holes which her leaving has left. Some holes have been already filled.

The Christmas party is the most pressing issue. The food is ordered...the tickets will be printed...

We need a phone committee who can phone to invite people to the supper...and sell tickets. If you can help us please contact us. Thanks David Jensen

SHELL LAKE MUSEUM

Happy to report a successful summer with lots of interest from residents and tourists. Thank you to all the volunteer hosts and hostesses for your time. The Farmer's Market is over for the season. It was slow to get going due mostly to the inclement weather but seemed to be

well supported. Input on this would be appreciated

VILLAGE OF SHELL LAKE

Never before can I recall a time where we haven't had a killer frost by September 30th. For heaven's sake I'm still picking peppers and cucumbers and for that matter maintenance is still cutting grass! The flowers on main street have all been cleaned up. What a wonderful show they put on this year. Just another reminder that if you want maintenance to pick up your leaves they must be bagged in PAPER LEAF BAGS or cardboard boxes that can be thrown away.

We will be bringing in a metal bin around Oct 7th. This is for metal, BBQ's, golf pull carts etc. Contact Jim or call the office to arrange drop off.

The log rental building by the museum will have space available for rent at \$300 per month. Contact Tara at 427 2272. Wouldn't it be nice to have a massage therapist again?

The Shell Lake Housing Authority has had two resignations. Thankyou to Jerri Olson and Colleen Reed for your time served on the committee.

The new appointees are Cathy Feld and Holly Proulx. Welcome to the team.

By all appearances it looks like we will have a municipal election this year. Candidates have until Oct 9 th to enter their name to or withdraw their name from the list for mayor and council of our Village. The election will fall on November 13th in the meeting room at the Village Office. It is exciting to see the interest and ultimately it is people who will determine who forms council. It is the season for voting. The Sask Rivers Public School Division will be holding an election at the Legion Hall on November 13th as well. The provincial election will be on Oct 28. Sharpen your pencils everyone and be sure to exercise your privilege to vote.

The completion date for the curling rink was to have been Oct.1. We are now past the date but it still seems doable to be curling this winter.

The chairs which were in storage in the C can were moldy from all the moisture. They have been power washed and sun dried. Now they are in dry storage.
