Welcome back! I hope your holidays were filled with joy, rest, and memorable moments with loved ones—mine definitely were! Primarily, I want to extend a huge and heart-felt thank you to every single person who helped with Hey Days, Pancake Breakfast, the Farmer's Market, the canteen at Mud Bogs, cleaning the church building, cleaning the church yard, assisting with worship and music while I was away, the lovely people who continued Bible Study through the summer, and all the people who completed tasks that come with support-

ing our faith community. I am forever grateful for everyone's hard work and dedication to community.

With the new season ahead, I hope to delve into mission for our young members and explore new ways to serve and enrich our community. May God bless us with renewed energy and enthusiasm as summer comes to an end and a new season begins. This is our opportunity to set a positive tone for the year, deepen our faith, and achieve great things together. Here's to a fantastic start and an inspiring journey ahead!

COMMITTEE/ CLUB /NEWS

SHELL LAKE FIFTY PLUS

2024 Bud Dicus Memorial Senior Golf Tournament. The morning dawned cloudy and gloomy...and the early radar suggested rain until past noon. Even though the weather looked bad...81 people registered to play. The planned start time of 10 am was delayed until 10:30 am. Suddenly the skies cleared, the breeze was gentle, and a wonderful day of golf got underway. The tournament consisted of a shotgun start and a best ball format...in which three drives off the tee for each member of the team must be used. It also had specialty holes: Closest to the line, Closest to the pin, and Longest Drive. In addition the par three #8 hole provided an opportunity for a 50/50 draw to everyone able to land their ball on the putting surface.

After 9 holes were completed, the teams gathered at the clubhouse for a hardy lunch with burgers, salads, and cookies. Play resumed after lunch. On completion the teams met around the practice green by the club house, to receive their prizes.

The prizewinning teams were: First place with the score of 66: Mark Bonneau, Murray Heck, Ken Hyman, and Randy Empy. Second place with the score of 68: Bernie Noble, David Jensen, Robert Bonneau, Diane

Dreaver. Third place was shared by two teams both with scores of 70: Glen Harbaruk, Brent Brewer, Guy Cyr, Cory Delisle, Robert Svendsen, Carol Svendsen, Karen Lloyd, Lorraine Diehl and Patrick Clavelle

The Golf Committee wish to express its appreciation for everyone who helped make this a success. We thank Memorial Lake Regional Park for providing the golf course for our tournament. We thank local businesses who supported us with prizes and other things need to ensure such events succeed. Finally we thank the volunteer who work tirelessly for our success.

SHELL LAKE MUSEUM

Many thanks to the volunteers who kept the museum open over the weekends during July and August .It is much appreciated.

The quilt raffle which was to be drawn on Sept 2 will be delayed to Thanksgiving weekend to enable us to sell more tickets. Thanks for understanding. Tickets are available at Pineridge Cottages, at the museum and at the library

VILLAGE OF SHELL LAKE

August did not disappoint. It was a very busy month but now we are winding down folks.....less grass to cut, fewer weeds to pull, less yard work until the leaves start to fall. This year when you want to bag your leaves for pick up by the Village maintenance will you please use the disposable bags for that purpose or use a cardboard box so it can get tossed away with the leaves. Actually the same goes for grass clippings. Maintenance will not be picking up garbage bags laden with rotting grass. Tell your friends about it!

The bad news for the Village is that we totally blew our budget on road improvements for this year but the good news is that we don't have to pay for the extra work we had done on the curling rink street until 2025. The pavers aren't totally fin-

ished yet but ran out of product and promise to be back.

Very soon Burton's Concrete will be pouring the floor for the ice surface in the curling rink.

Following that the refrigeration work will begin. We are starting to see some light at the end of the tunnel.

In reality, we still have a month of golfing before we talk curling!

Council would like to thank our summer visitors to Shell Lake for spending time with us. Come back soon ! We also wish our students a successful year in school and university .

Happy harvest to the farmer's and the gardeners!

Respectfully, Mayor Anita Weiers

CHURCHES

PARTNERS IN WORSHIP

The Church Board would like to thank all the volunteers who **worked so hard** and donated to our yard sale, pancake breakfast, baking for the farmers market at the gazebo, serving at the mud bog and working at the invitational golf tournament were they cooked and sold breakfast and hamburgers for the golfers!

We had a very busy and profitable summer! Thank you everyone for your support!
