THANK YOU

Thanks for showing up Shell Lake!! Our 6th Annual Sip & Shop was a great success! Our goal is to support local artisans and entrepreneurs, while bringing community together to kick off the festive season. This year, the Northern Spirit 4-H Club took home \$490 in door proceeds and we thank them for partnering with us and welcoming guests. In addition to improving our event from year to year, any extra proceeds will be poured back into this community we love. Stay tuned for our latest initiative that is near and dear to our hearts! Thank you again for supporting local. Until next year...

The first meeting of the new Village Council took place on Monday, November 18th, Anita called the meeting to order and the Mayor and Councillors completed their Oaths of Office.

Huge thank you to Mayor Anita Weiers, Joe Delisle and Dillan Simonar for the time spent on Council and all they have done for the community. Greatly Appreciated!!

I would like to also extend a thank you to everyone that took the time to take part in the municipal election. It is so important to support your community in this way. As your Mayor, I am looking forward to meeting you and working together to continue to have a growing and prosperous community! I have had many years in municipal government and administration and hope it will be helpful in the continuation of moving the community forward.

The Curling Rink has finally received the Sask Power and Sask Energy connections. The installation of these two vital services means that the interior construction of the rink can now continue. The curling committee has

announced the 2025 membership fees and curling bonspiel dates. The fundraising committee is busy with planning upcoming events including a New Years Eve Dance. Be sure to get your tickets and support this worthwhile cause!

Just a few reminders: The 2024 property taxes and utility invoices are due by December 31, 2024. There is a mail slot on the front of the building to drop off mail. Please call Tara to discuss options for payment if needed.

The Village Office will be closed December 23-27, 2024. Open December 30 and 31.

A NEW YEAR also means all dog and cat licenses are required to be renewed. \$10.00 per animal. The Village website is under construction. Sorry for the inconvenience. Hope to have a new refreshed look for 2025.

The Village committee appointments will be made at the December Council meeting. If you would like to remain on your appointed committee, please let your chairperson know. Tara will be contacting the chairpersons for this information. The next meeting of Council will be held on Monday, December 16th at 7:00 pm. If you have an item for Council or would like to address Council, please call the office by Thursday noon to be added on the meeting agenda.

Council meetings are open to the public. The log rental building by the museum has a vacancy. Rent is \$300.00/month. Contact Tara at the office.

The penitentiary work crew did an amazing job clearing the hiking trails on the east side of the village. Anita provided the crew with a tasty lunch. Dillan assisted in marking the trail path. Thank you to all involved in this project. I have walked the trail with my grandsons a few times and it has already become a favorite spot!!

BIG THANK YOU to Jim and Greg for their quick response to clearing the Village streets. The snow banks look like the end of the season not the beginning.

Wishing you all a very Merry Christmas and a Happy and Prosperous New Year!

Mayor Wendy Penner
