have your address on your drivers license in which case that is all you require.

The important thing is that you come out to Vote!

On November 5 and 6, the penitentiary work gang is going to be working on the existing hiking trails. All that is required is that the Village provide their noon meal. It's a win, win situation.

The log rental building by the museum has a vacant space and it is available for \$300 per month. Contact Tara at the office 427 2272.

And now I will take my bow!

VILLAGE OF SHELL LAKE

Howdy folks! This will be my last
report to the Hi-Lites as Mayor. My
duties cease and are transferred on
Nov 18th. I would like to take this
opportunity to thank all the
residents of Shell Lake for your
support over the last 14 years. I have

enjoyed being mayor but now I am
happy to introduce to you the new
Mayor for Shell Lake. Here was only
one name submitted for mayor so she
was acclaimed on Nov.9 th. Her name
is Wendy Penner and this is what she
brings to the table. She is an
accredited municipal administrator
and has worked in that capacity for
25 years in Rosthern Rural
Municipality #403, followed by three
years as Administrator. Since then
she has been a mentor for Council
members and Administrators. Years
ago she assisted the Shell Lake
Village as an advisor. She also
spearheaded the ICIP grant along
with Deb Hogg, back in November of
2021 and is on the curling rink rebuild
committee.

Wendy and her husband Darrell
have a new home in the new sub
division and they have been visible
members in our community I am
confident in Wendy's abilities to take
our Village on a progressive path. I
congratulate her and wish her the
support that I have enjoyed.

The municipal election will take
place on Nov 13th at the Village
office. There is no voter's list so
everyone must fill in a voter's
registration form. You will be required
to show photo Identification and
show proof of your residential address
This could be a copy of your tax
notice or a power bill. You might also
