The Fifty Plus club has always been exploring ways for seniors to get together. During the summer months it is easy to gather. However during the winter it is more difficult. In recent years the Fifty Plus Club has been gathering over lunch one day a week. Once again the Seniors are gathering at The Senior's Hall on Wednesdays from 11 am to 1 pm for lunch. The Fifty Plus Club invites the community to come join. The month of February has also been membership month for the club... with February 12 being set as Membership Day when membership for 2025 for existing members as well as for new members will be sold. The Shell Lake Seniors Fifty Plus Club wishes to remind you of the services and activities we offer for our community.

NEWS HIGHLIGHT*****

The Village of Shell Lake Curling rink is OPEN!! The first bonspiel in the new rink was an open bonspiel held the last weekend of January with 16 teams entered. Drop In and League curling has started. Contact a Curling Club member for further details. All are welcome!! There is still construction work to be completed on the building, so we appreciate your understanding if you see items requiring attention. A special thank you to Cheryl from Pine Ridge Cottages for donating two nights stay for the ice mat technician out of Edmonton.

HUGE THANK YOU to all the volunteers that have been a part of this construction project. It has taken many hours to get to this stage. Millage Council and the Curling Committee are looking forward to having the curling rink available to the community to participate in curling, socializing and future special events. The Grand Opening is being planned in the near future. Fund Raising events are also in planning stages. We thank you for your support!!
