Due to our close proximity to Memorial Lake Regional Park and the available services in our Village, we are hoping to attract more visitors that can share in our hidden gem!! We all know what a special place Shell Lake is and it would be great to show off what we have to our guests. Once our weather starts to actually be true spring temperatures, we can start assessing our properties to determine what's needed to beautify our space. It might mean picking up garbage, getting rid of the pile of "valuables" that are forgotten in the yard, cutting the grass, trimming the weeds, and maybe planting a flower pot. The Village Council thanks you for your part in helping the Village look its best. Also, a big thank you to the Plant and Décor for their ongoing work to keep our community looking great.

The next meeting of Council will be held on Tuesday, April 15th at 7:00 pm.

If you have an item for Council or would like to address Council, please call the office by Thursday noon to be added on the meeting agenda. Council meetings are open to the public.

Wishing you all a very Blessed Easter.

Mayor, Wendy Penner
