Bible study Thursday 10 am at  
Villa.

Our community has endured a lot of grief and change recently. As a community adapts to fill people's shoes, and tries to change to better serve people in need, we often face the weight of uncertainty and worry about what the future holds. But even in the midst of it all, God reminds us that God is holding us. With just a mustard seed of faith (the tiniest amount), mountains can be moved, hearts can be changed, and hope can rise again. God has been with God's people, IS with God's people, and will always be with God's people.
