MUSEUM

The executive for museum committee for 2026 is as follow:

Chairperson-Anita Weiers Secretary- Bernadette Mysko Treasurer-Jennifer Shynkaruk. Jack Klaasen has resigned and the board would like to thank him for the years of dedicated service. His knowlege and physical abilities were very much an asset to the group.

Council Highlights:

*The Village Council has hired a Community Consultant to write a new Zoning Bylaw and Official Planning Statement in 2026. The current document Bylaw 9-1987 has become outdated and not practical when looking at current and future development and planning in the community.

*In 2026 the Village Lagoon will be undergoing a major maintenance project. Details of the necessary steps required are being reviewed with the Water Security Agency and consultants that were involved in the original design of the lagoon ponds. This will be an expensive project but is very important to ensure that the wastewater infrastructure is operated

and maintained as required under the Environmental Act.

In November the community was invited to take part in the Remembrance Day Service and Lunch and the Sip and Shop evening. Both events were well planned and a pleasure to attend. Thank you to the many volunteers that were a part of these events. Well Done!!

Thank you to our volunteers that decorated the Village for Christmas. Beautiful!!

The 2025-2026 Curling Season has started. Check out the activities. Good Luck Curlers!!

- * The next meeting of Council will be held on Tuesday, December 16th at 6:30 p.m.
- * If you have an item for Council or would like to address Council, please call the office by Thursday noon to be added to the meeting agenda. Council meetings are open to the public.

As 2025 comes to a close I would like to say thank you to Council and Staff and also you the residents for your support as we worked together for the betterment of our Village.

Wishing you a safe, joy-filled, Christmas Holiday Season.

Mayor, Wendy Penner
