Village of Shell Lake - Mayor's Report

Thank you to those individuals who continue to maintain their property on a regular basis.

Council has started to do property inspections within the community under the Nuisance Bylaw (Bylaw No.2.2026). This is to ensure that our community is safe, secure and attractive for our residents and visitors.

Tax and Utility Notices should be in your mailbox shortly. Council has spent a lot of time working on the budget and trying to balance the costs of providing services and maintaining aging infrastructure.

In attending SUMA (Saskatchewan Urban Municipalities Association) meetings, this is a common theme throughout the province. Increasing costs, no availability of grants for infrastructure and demand for services with limited funds.

I would like to invite the community to attend the display booth of Casa Boldt during Hey Days. These are the planners that are working on the Basic Planning Statement and The Zoning Bylaw for the Village. This is your opportunity to share your ideas of how you would like to see your Village progress.

Council would like to extend our thanks and best wishes to Councillor Wayne Reddekopp. Wayne attended his last council meeting in June. Wayne's knowledge with water and sewer was a huge asset to the Village. Wayne and Belinda contributed to many committee's in the Village and will be missed! Thank you for all you did for the Village of Shell Lake! A by-election will be held in fall. Further details to come.

Wishing everyone a great summer! We wished for rain last month so the fire ban could be removed. Now a little sunshine would be nice so we could enjoy the summer.

See you at Hey Days!!
Mayor Wendy

*Happy
Canada
Day!*

Canada Day is a day to reflect on what it means to be Canadian, to share what makes us proud and to celebrate in our own way. This pride is reflected in as many ways as there are Canadians.

Canada Day highlights the richness of our land, our diversity, our culture, our contributions, but above all, our people. Since 1868, July 1 is an opportunity for Canadians from all communities to come together.
